PRESSURE WASHER HOSE & ACCESSORIES

Our premade and custom fabricated pressure washer hose assemblies are the perfect solution for your cleaning needs. Built with braided steel wire to increase safety from rupture. Pressure washers are available in multiple cover options including gray, blue, and yellow non-marking. Our assembly staff are NAHAD certified and have years of experience with industrial hose fabrication. Trust the experts with this critical application hose!

OnGuard ASSET TESTING & MANAGEMENT

Hoses are pressure tested and can be tagged with asset numbers. If you need a system for managing these assets, ask your local representative about our OnGuard™ asset management program or visit our website at www.hosesafety.com to learn more.
